

Dear Parents/ Guardians,

I am pleased to take this opportunity to introduce myself to you and to welcome your child to my class. My name is Laura Middleton and I am the Math Teacher for grades 6-8. I am a "highly qualified" teacher after receiving my Bachelor's Degree from Kent State University, license to teach Grades 4-9 in the areas of Math and Science, and passing the Praxis II examinations for Math & Science. I grew up in the Cleveland area and graduated from Mentor High School. I was very involved and fell in love with education.

I believe that open communication and cooperation between home and school is crucial to a successful learning experience for your child. I fully look forward to the amount of growth and development of our students throughout this year. Together we can succeed!

Again, welcome! Please feel free to contact me about any questions, concerns, or just a general hello, at any time. If you would like to conference with me, I would be glad to arrange one. My door is always open, and messages can be left with our secretary, to which I will respond as soon as I can. This year we also have a new website and email system available for communication. The address is: www.wpcschoo.org.

My contacts:

Phone Number:

216.271.6055 -- ext. 20

Email Address:

lmiddleton@wpcschoo.org

** This is the best and most direct way to contact me throughout the year.

Thanks for you time and your wonderful children!

Sincerely,

Laura Middleton
