

Welcome Back!

Hello! Welcome to another exciting year. My name is Stephanie Derringer and I am a graduate of Ashland University. I have an Elementary School License for grades K-8. I am a highly qualified teacher because I passed all of the appropriate classes to become a certified teacher, and the state required NTE test for teachers. This is my third year as a reading and math support teacher for grades K-2. I am really excited to be starting a new year.

Class Rules:

1. Eyes on Speaker
2. Lips Closed
3. Ears Listening
4. Sit up Straight
5. Hands and Feet Quiet

Consequences:

- Blue Chip- Great Job
- Red Chip-Warning/Sticks moved in classroom
- Orange Chip- Time Out/ Lunch Detention w/teacher

Each student will have his or her name on a chart in the classroom, which gives the student an opportunity to receive a sticker for good behavior. If the student gets five stickers they will get to pick from the prize box.

Title One will be approximately 30-60 minutes long. During that time students will work on identifying letters, letter sounds, putting words together, practicing reading and also different math skills.

I look forward to a great year. If you have any questions I can be reached in person before or after school. I can also be reached by phone at 216-271-6055. Thank you for your cooperation.

Sincerely,
Mrs. Derringer
